Proposed CIA Regulation [REDACTED]

25X1A

25X1A

I am returning herewith file relating to proposed CIA Regulation and procedure for exempting certain aliens from Foreign Agents Registration Act. I concur with the proposed regulation [REDACTED] and make the following comments in connection with the procedure: It would appear desirable to follow the language of the statute inasmuch as that language is explicit. I would therefore suggest that the body of the memorandum be amended to read:

25X1A

25X1A

"In accordance with the Foreign Agents Registration Act of 1938, as amended, I have determined that registration of subject would not be in the interests of national security.
